

Coalition of Airline Pilots Associations

A Trade Association of Airline Pilots

October 25, 2017

Fellow Ryanair crewmembers:

On behalf of more than 30,000 professional airline pilots at the Coalition of Airline Pilots Associations (CAPA), we would like to express our strong support for your efforts and stand united with the pilots at Ryanair who seek job security and lawful economic self-help for fair pay and work rule standards.

CAPA's members include Allied Pilots Association (American Airlines), Independent Pilots Association (UPS Airlines), Teamsters Local 1224 (ABX, Allegiant Airlines, Atlas Air, Horizon Air, Cape Air, Kalitta, Kalitta Charters II, Miami Air, Omni, Silver Airways, Southern Air), and Teamsters Local 357 (Republic Airlines). It is through our solidarity that we offer our collective support for you and your fellow crewmembers in efforts to bring about a more prosperous and secure future for yourselves and for Ryanair. Indirect employment, practiced by any airline, must be put to an end.

Please let us know if we can be of further support to you and the pilots of Ryanair for an expeditious and successful resolution.

Sincerely,

Captain Lee Collins
President
